

Prayer Prompts

We invite you to pray and fast as our leadership seeks God's direction this year. Included below are a few prayer prompts to get you started as you spend time with the Lord. We encourage you to jot down any thoughts or next steps the Lord reveals to you during this time.

Why pray and fast?

To humble ourselves before God by denying ourselves and making the eternal more important than the temporary.

1. **Pray for Our Leadership** to be guided by the Holy Spirit and discern the will of God in this next season of ministry.
2. **Pray for the Local Church** to continue developing passionate followers of Jesus through deep personal discipleship and spiritual maturity.
3. **Pray for Spiritual Leaders** to be raised up, trained biblically, and have courage step into the call of God on their life.
4. **Pray for the Family of Churches** to sustain healthy ministry and provide new opportunities to partner together to advance the gospel.
5. **Pray for Kingdom Expansion** and for God to use us to advance the gospel across the world.
